Monday 15<sup>th</sup> May 2023

Dear Families

As you are aware, this half term, we have been working as a school to support our local library as part of the Kings Coronation Big Help Out initiative. The children have thoroughly enjoyed reading a variety of books about the environment to help us create a vibrant and engaging 'eco display' for the Lordshill library.

Next Wednesday 24<sup>th</sup> May 2023 is the final day of this project where we will be coming together as a school to create the book reviews, book plates and art work to give to the library!

As you are aware, from 1.30pm on Wednesday 24<sup>th</sup> May, we will be inviting parents in to showcase our work to you and to create some art work together! The children are very much looking forward to this day. Please see below a rough timetable for the afternoon event.

The children will be in house groups (apart from year R who will be in their classroom with Mrs Rowland). Each house group will have a time slot to walk around the gallery of work in the hall. You will then have time in houses to work with your children on a piece of art that will contribute towards a whole school art project that will be displayed in the Lordshill library!

Throughout the afternoon, there will also be some time to enjoy reading with your children. We are asking children to bring in their favourite book from home for the day so that they can write a book plate for it and then read it together with teachers and parents in the afternoon. We would also like to invite parents to bring in their favourite children's book (perhaps one you enjoyed from when you were a child) to enjoy with your children! We can't wait to see all the wonderful books chosen.

The event will finish at 3.15pm to enable children to return to their classes and collect things ready for home. Please leave the school through the main reception and wait for your children in the usual way.

Timings to visit the showcase of work in the hall are as follows:

1:45 – Year R

2pm – Beaulieu

2:15 – Hamble

2:30 – Itchen

2:45 – Test

If you have any questions, please see your child's class teacher. We hope you have a thoroughly enjoyable afternoon!

Kind regards
