4th May 2023

King Charles III Coronation Celebrations

As we officially welcome King Charles III to reign on Saturday 6th May, we are excited to share with you how we are marking this momentous occasion.

Coronation Picnic and celebration

On Friday 5th May, we will be having a dress down day – dressing in red, white and blue to link to the colours of the Union Jack. Throughout the day, the children will be taking part in a variety of activities linked to the Kings' Coronation where we will be helping the children to understand what the coronation means and what will happen at the weekend as well as taking part in many arts and crafts activities. Children will also be making table decorations and bunting that will be used to decorate our tables for our whole school celebratory picnic on the playground (weather permitting). All children will also receive a commemorative certificate and badge as a special keepsake to remember the event.

Big Help Out

On Wednesday 24th May, we will be holding our Big Help Out day where we will be helping the local library by producing book reviews, book plates and art work for them to display. We are all extremely excited about this event! We are inviting parents to come and share in the experience from 1.30pm on the 24th May. There will be an opportunity for you to visit our gallery of work produced in the hall. The library staff will also be available with information and to answer any questions you may have about the library service. We are also hoping to trial a new sign up system for the library on this day so if you have not signed up to the library already and would like to, please ask your child's class teacher on the day.

There will also be an opportunity to create some art work with your children and take part in some shared reading on the afternoon of the 24th. We hope you are able to come and share the experience with us.

Many thanks

Mrs Williams and Mrs Montague
