

Transport in the World

Summer 1 Week 1

Literacy	We will be writing instructions. We will be using time adverbials to order our instructions for planting a bean.
Maths	We will develop our knowledge and understanding of non-standard measuring.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
PSED	This week we will be discussing cause and effect. We will focus on how our actions impact the environment.
Physical Development	This half term, we will be developing our gross motor skills through preparing for Sports Day. This week we will focus on skipping.
Music	This half term, we will be listening to, moving to and composing music related to different kinds of animals.
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will learn how to use a program called Simple City.
Religious Education – God Matters	This week, we will be exploring another religion. We will learn about Easter.
Religious Education – Living Differences	This half term, we will be learning about Special Clothes. This week, we will explore different uniforms.

Once Upon a Time... Planting and Growing

Week 2

Literacy	This week we will be exploring imaginative writing. We will use descriptive writing to come up with our own alternative stories for what is at the top of the beanstalk in the tale of Jack at the Beanstalk.
Maths	We will exploring standard forms of measuring this week.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
Understanding the world – Science	This week, we will be investigating cause and effect in Science this week, looking at how we can care for plants to help them grow successfully.
Physical Development	This half term, we will be developing our gross motor skills through preparing for Sports Day. This week we will focus on balancing.
Understanding the world - History	We will be exploring different interpretations of History. We will be exploring the good and bad characters from different children's story books and creating different interpretations of the story.
Music	This half term, we will be listening to, moving to and composing music related to different kinds of animals.
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will learn how to use a program called Simple City..
Religious Education – God Matters	This half term, we will continue learning about Easter.
Religious Education – Living Differences	This half term, we will be learning about Special Clothes. This week we will look at our partnership school uniforms.

Community

Week 3

Literacy	This week in writing we have been dressing up as people who help us such as policeman and doctors. We will be writing sentences about them at the end of the week.
Maths	This week we will develop our knowledge and understanding of adding. We will practice careful counting and reminding ourselves of what symbols we need to complete our number sentence.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
EAD (Expressive art and design)	In art this week, we will be looking at colour mixing and experimenting with different media to try this out. We will problem solve to see which colour is missing in a challenge at the end of the week.
Physical Development	This half term, we will be developing our gross motor skills through preparing for Sports Day. This week we will focus on balancing, throwing and running in a lane.
Understanding the world – History.	This week we will be looking at people who help us in the community and who they are. We will be roleplaying police men and women to get a feel of what they have to do so that we can have discussions about it.
Music	
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will learn about Internet Safety when playing on games like Cbeebies.
Religious Education – God Matters	This half term, we will continue learning about Easter,
Religious Education – Living Differences	This half term, we will be exploring Special Clothes. This week we will focus on Special Clothing for Christian celebrations like weddings.

Community

Week 4

Literacy	This week we will be looking at non-fiction books and what they can tell us. We will be looking at what they have inside and learning about people who help us from them.
Maths	This week we will develop our understanding of time. We will be sequencing different events that we know and are familiar with. Then, we will look at what 'o'clock' means and where that is on the clock.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
PSED (Personal, social, emotional development)	This week we will be looking at fire safety. We will be looking at how to keep safe if there is a fire and who to alert. We will talk about stop, drop and roll and how to call 999.
Physical Development	This half term, we will be developing our gross motor skills through preparing for Sports Day. This week we will focus on balancing for jumping with Space Hoppers.
Understanding the world – History	This week we will be looking at different transport in the community. We will be discussing different transport that we know about and have had experiences with. We will also be discussing different emergency vehicles.
Music	This half term, we will be listening to, moving to and composing music related to different animals.
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will continue to learn about Internet Safety when playing on games like Topmarks.
Religious Education – God Matters	This half term, we will be learning all about Easter.
Religious Education – Living Differences	This week, we will continue learning about special by finding out about special clothes in other religions.

Ugly Bugs

Week 5

Literacy	This week, we will be exploring fiction and non-fiction books. We will be looking at different bug books to decide which is our favourite. We are going to write book reviews about our favourite book.
Maths	This week we will be developing our problem solving skills using the theme of minibeasts.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
EAD (expressive arts and design)	This week during art, the children are progressing their learning about colour mixing by introducing experimentation with what happens when we add black and white to different colours.
Physical Development	This half term, we will be developing our gross motor skills through Sports Day practise. This week we will practise egg and spoon races.
Science	This in science we will be learning all about what a minibeast is. We will be learning all about the features of a minibeasts and their names. We will be categorising different types of minibeasts.
Music	This half term, we will be listening to, moving to and composing music related to different animals..
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will continue to learn about Internet Safety when playing on games like Phonics Play.
Religious Education – God Matters	This half term, we will be learning all about Pentecost.
Religious Education – Living Differences	This week we will create our own special clothing for a celebration.

Ugly Bug Ball

Week 6

Literacy	This week, we will be exploring non-fiction writing and creating our own posters about minibeasts.
Maths	This week we will be continuing to deepen our understanding of number bonds to 5 and to 10.
Phonics Spellings High Frequency Words	We will focus on revisiting sounds from Orange and Pink phase Phonics and we will continue to learn our Pink and Green phase Phonics sounds. We will learn to read and spell our Reading Rocket sets which match our phonic ability.
EAD (expressive arts and design)	This week during art, the children are exploring using clay and some varied materials to create their own mini-beasts.
Physical Development	This half term, we will be developing our gross motor skills through Sports Day practise. This week we will practise egg and spoon races.
Science	This in science we will be learning all about how to care for a mini-beast and we will be discussing which materials help to make up their ideal habitats.
Music	This half term, we will be listening to, moving to and composing music related to different animals..
Information Communication Technology	This half term, we will continue to explore using the Chromebooks. We will continue to learn about Internet Safety when playing on games like Phonics Play.
Religious Education – God Matters	This half term, we will be learning all about Pentecost.
Religious Education – Living Differences	This week we will create our own special clothing for a celebration.
