Dear Parents,

£5 challenge – Thursday 6th July 2023

I am excited to write to you with details of our £5 challenge taking place on Thursday 6th July! On this day, the children are invited to bring in some money to spend at the playground fete being held during the school day.

Our children are taking part in the '£5 challenge' during which they are aiming to make a profit from £5 given to them by the school. More details can be found here:

<https://www.fiverchallenge.org.uk/>

Each class will have 2 stalls: Selling an item/ service and an activity for other year groups to enjoy. Children will be planning and managing their budgets, manufacture, and rotas for running the stall during the event.

All activities and stalls will be between 10p and 50p so it would be helpful if children brought change rather than £1 coins and no notes at all please as the activities has a restricted amount of change to give. The children's money will be collected first thing in the morning. Please use the envelope provided and write your child's name clearly on the front.

Any money raised will be distributed between an in-school focus chosen by our school council and an outward facing charity.

We are really looking forward to our exciting, entrepreneurial extravaganza.

Yours Sincerely

Mrs Gerida Montague
Executive Headteacher
