## Join Us for a "Storytelling Spread!"

Dear Parents,

Now that the weather is becoming a little warmer and the sun is starting to shine, we would like to invite parents into the nursery for a "Storytelling Spread," – a chance to share a special nursery story time in our nursery garden with your child. The nursery practitioners can not wait to share a storytime with you.

The nursery will have 4 "Storytelling Spread" slots during Summer 2, where parents will be invited to join the nursery towards the end of a session, to share a storytime together and share our love of reading stories. The nursery has a well resourced book box, book shelves and cupboard full of the best books to share with children under five.

We appreciate that not all parents will be able to attend, due to working or other commitments, so to accommodate the majority we will be offering four different opportunities, in the hope as many parents as possible can join us. You are welcome to send grandparents or an extended family member to the event, should you not be able to attend. Please let the nursery practitioners know in advance so we can welcome new faces. Nursery adults will continue to support the children whose parents cannot attend.

Feel free to bring a chair or blanket along, we will be providing cold refreshments and a quick snack 'biscuit' to make this event extra special for all. Please speak to the office regarding the snack if your child has an allergy.

The nursery Storytelling Spread will run on the below dates and times during Summer 2. As British weather can be unpredictable, the session will be moved inside the nursery in the event of rain!

Thank you for your support,
